RETIREE LUNCH AND LEARN:

THE JEWISH AMERICANS PART 2 - FROM EARLY 1900'S TILL 1950

Part 2 of this amazing series spans the years from the early 1900's when Hank Greenberg played for Detroit. It is the story of Irving Berlin and the rise of the quota system for entrance to many universities. It is the story of Louis Brandeis and the establishment of the Jewish State. It is the story of Henry Ford and the rise of Hitler. Of course it wouldn't be complete without a look at our Jewish Catskills. So much more is covered. It is fascinating. Dvar Torah by
