We realize there are many requests for Tzedaka, all heart wrenching. However, the rules of Tzedaka are to first help your family, then help your community, then outside the community. Here is a campaign started by longtime members of our community, who are presently struggling with the serious issue of having a family member trying to recover in rehab. They need to raise about \$6,000 a month and rehab can take about a year. Please search Thechesedfund.com and put in the name of the campaign which is please help us afford rehab to save our son. Please open up your hearts and help this local family keep their son in rehab. They have been generous in the past in supporting our community and never thought they would need to ask for themselves. (Please note: Rabbi Kaufman and Rabbi Kaminetzky have reviewed this issue and the great need of the family and encourage all to help in this extremely worthy and lifesaving effort.)

If you wish to make out a check instead of contributing online, please make it out to Congregation Ohav Emeth, in the memo write Rabbi's Charity Fund. On a separate note (NOT in memo) write that it is for the Rehab campaign"
