Congregation Ohr Torah greatly appreciates the donations of its members, many of whom have contributed very generously over the years. In fact, members are constantly thinking of different tangible items that our shul needs and have been kind enough to purchase or make such items for the shul. We are beneficiaries of such caring and thoughtful consideration.

As a reminder, in order to ensure that our policy is consistent, it is important that we follow a protocol for donations that has been in place since 1995. This policy includes the expectation of a financial contribution in connection with any commemorative or memorial plaque. If you wish to donate any item, large or small, please first speak with Leslie Ney, Moshe Schneider or Russell Adler before any such purchase or construction. Thank you again very much for your generosity and understanding.
