FRIDAY NIGHT DAVENING

In response to suggestions that we have received from members to enhance the "Berov Am Hadras Melech" component of our Davening, the Board has decided that it would be best for the Ezras Nashim on both sides of the Shul to be closed for men beginning the first Friday evening after Pesach. This protocol was used for the Shabbat Across America Friday night Davening and we have received much positive feedback from that experience. If you have any questions or concerns regarding a Makom for Davening, please contact any of the Gabbaim or Russell Adler.

ITEM DONATION POLICY

Congregation Ohr Torah greatly appreciates the donations of its members, many of whom have contributed very generously over the years. Members are constantly thinking of different tangible items that our shul needs and have been kind enough to purchase or make such items for the shul..

As a reminder, in order to ensure that our policy is consistent, it is important that we follow a protocol for donations that has been in place since 1995. This policy includes the expectation of a financial contribution in connection with any commemorative or memorial plaque. If you wish to donate any item, large or small, please first speak with Leslie Ney, Moshe Schneider or Russell Adler. Thank you again very much for your generosity and understanding.
