SHUL CAMPAIGN

Congregation Ohr Torah has launched a campaign to raise the funds necessary to retire the Shul's debt (burn our mortgage), support the Shul's anticipated infrastructure repairs and improvements (especially the roof and A/C systems), and support new and expanded programs for all members. One goal of the campaign is to engage the entire membership of our Shul - including family members who joined our congregation after the completion of the two capital campaigns that made the creation and existence of our current facility possible - in the sacred task of building, sustaining and growing our Shul.
 The financial goal of the campaign is \$500,000, to be pledged and received over a three-year period. To date, 40% of the goal has already been raised with commitments of more than \$200,000 received from 23 membership units of the Shul.
 For more information on how you can participate in this campaign to "Protect our Past and Secure our Future", please contact David Moss at davidmoss18@gmail.com or 732-690-8817, Josh Caplan at joshcaplan@gmail.com or 732-572-5991, or Russell Adler at otprez613@gmail.com or (732) 670-4641.

COMMUNITY ANNOUNCEMENTS

COUNTERACT ANTI-ISRAEL MEDIA

BIAS

Israel is being continuously assaulted physically by Palestinians at home, and also by worldwide and U.S. media, by the U.N.,

and by U.S. government actions. While some of us complain individually in the form of writing letters to editors and to government officials, the overall effort is useful, but has a limited impact. Rabbi Luban has suggested that instead of individual letters in answer to a specific issue, many letters of complaint have much more of an impact. Accordingly, under his guidance, a committee is being formed in our local area to counteract this one-sided bias by a more organized effort as a force multiplier. What is being envisioned is a core of volunteers to write or email just a few short (one or two paragraph) letters periodically (every week or two) to the appropriate target. Materials will be provided in the form of information, bullet-points, or model letters.

Anyone wishing to join this effort, or obtain more info, please email Max Wisotsky at maxcomm60@msn.com.

AA UNIVERSITY TUESDAY LECTURE SERIES WITH RABBI DR. ELIEZER SCHNALL

Your Life, Positively: The Torah of Becoming a Better You
Tuesdays, Nov. 10, 17 8pm in Beit Midrash
What is the new "positive psychology" and how can it impact our lives? How might we identify the roots of this exciting new field in Limudei Kodesh sources, in Torah and Chazal? In each shiur we explore one specific "character strength" or "Midda" that positive psychologists study. We examine roots in Torah sources, review modern-day research on its benefits to health & well-being, and

conclude with practical suggestions for using that Middah to enrich our own lives.

Nov 10: Spirituality We explore "spirituality" through the prism of both positive psychologists and Torah sources, including the lecturer's own highly publicized research on the topic, featured in the New York Times and on CBS television news.

Nov 17: Awe We conclude with a focus on the often overlooked experiences of awe and elevation, examining their impact and benefits, and even present practical ideas for incorporating this character strength in our lives.
