RETIREE LUNCH AND LEARN: THE JEWISH AMERICANS PART 2 - FROM EARLY 1900'S UNTIL 1950

Part 2 of this amazing series spans the years from the early 1900's when Hank Greenberg played for Detroit. It is the story of Irving Berlin and the rise of the quota system for entrance to many universities. It is the story of Louis Brandeis and the establishment of the Jewish State. It is the story of Henry Ford and the rise of Hitler. Of course it wouldn't be complete without a look at our Jewish Catskills. So much more is covered. It is fascinating. Dvar Torah by Gene Wasserman. Because of the film's length we will not have a speaker so the film will begin at 12:45 to ensure that it will be over no later than 2:45. The program is open to all retirees in the community and will offer a wonderful opportunity to socialize with each other in a meaningful way. There will be a charge of \$10pp to help defray the cost of the meal. Date: Tuesday, Nov 15th Location: Cong Ohr Torah Time: 12 Noon RSVP Please reply at least 2 days prior to the
