Our hearts and prayers go out to the families and victims of this horrific act; may they find comfort in the world's outpouring of love and support. OneFamily, grows with every terror incident. As the casualties climb, so too does the financial burden. We need your help in sustaining the vast scope of our care. Your generosity allows us to continue to be a fixture in the lives of terror victims, supporting and addressing their urgent needs so they can return to a life of relative normalcy. In essence, your generosity empowers victims to carry on. Please visit our website to learn more about how you can help: <http://www.onefamilytogether.org>

TZEDAKA REQUEST

We realize there are many requests for Tzedaka, all heart wrenching. However, the rules of Tzedaka are to first help your family, then help your community, then outside the community. Here is a campaign started by longtime members of our community, who are presently struggling with the serious issue of having a family member trying to recover in rehab. They need to raise about \$6,000 a month and rehab can take about a year. Please search Thechesedfund.com and put in the name of the campaign which is please help us afford Rehab to save our son. Please open up your hearts and help this local family keep their son in rehab. They have been generous in the past in supporting our community and never thought they would need to ask for themselves. (Please note: Rabbi Kaufman and Rabbi Kaminetzky have reviewed this issue and the great need of the family and encourage all to help in this extremely worthy and lifesaving effort.) If you wish to make out a check instead of contributing online, please make it out to Cong Ohav Emeth, in the memo write
