While these soldiers are on active duty, the program provides housing and support so they can properly rejuvenate themselves both physically and spiritually on Shabbatot and during their army breaks. The program has been extremely successful, helping a number of young men from this community, including Eitan Hornstein (son of Susan and Justin) and Jonathan Silber (son of Leslie and Jeff). This next year's class is their largest ever and they are raising funds to help provide needed housing for this group. Anything you could donate would be appreciated. Please use this link to donate:
