RABBI'S CORNER

There is a biblical obligation (according to most) to eat on Erev Yom Kippur. On a simple level, the purpose of this Mitzvah is to be better prepared to fast on Yom Kippur. There are other explanations suggested which reflect a different nature of the day. Our eating on Erev Yom Kippur is a celebratory meal. We celebrate that we will achieve forgiveness of our sins and a full atonement. We can't celebrate on the day of Yom Kippur since we must fast so we celebrate the day before. Others explain that it's important for us to go into Yom Kippur in a good mood. We want to make sure we can ask forgiveness, forgive others, and get along with everyone on Yom Kippur. It is much easier to do that when you are full, happy and in a good mood. Either way, it is one of the easier Mitzvos to perform. Eat and enjoy!

REMINDER: Emergency Defibrillators are located on the upstairs wall hallway & the entry hallway downstairs .

Please note the location of the new First Aid Kits mounted on the wall below/above each Defibrillator.
